Self SWOT Analysis

• STRENGTH -

I am a hardworking and smart student, a tech geek, and a compassionate person. I am very good at communication skills as I know languages like Hindi, Marathi, English and basic Sanskrit. Also with help of these multiple languages and a joyfull nature, knowing people, their attitude and character becomes easy. I know many sports like cricket, football, Kabbadi and indoor games like chess, carrom and love to play them. I like to do my work in a organized and optimistic way which helps me in Problem solving. I am creative and artistic as I had received many Awards in Drawing and Painting.

• WEAKNESS -

I need to improve my self control, especially when it comes to doing things that are necessary like budgeting or cleaning up after myself. I can be impatient and moody. My family says "I'm messy." I also don't keep track of income and expenses well and sometimes I don't say what I want to

• OPPORTUNITIES -

I want to make a career in IT sector, as I have a great knowledge in Technology and Computer. A good score and learnings in Computer Science & in my 12th standard have helped me to take a degree in Computer and Electrical Engineering at MIT WPU, Pune. Also there are various other programming courses at my college that are helping me to become a software analyst and a coder.

• THREATS -

Whenever I'm with my college friends, I'm tempted to spend more money. I lose motivation at work whenever I have to work on reports. Working from home at my family's house is too distracting. My impatience often leads to difficulties with people. But I am trying to deal with my threats very hard.

• WEAKNESSES -

I tend to procrastinate my work, especially when it comes to doing things that are necessary like studying or doing my homework. I am not very confident in my abilities and I often doubt myself. I am also a bit impatient and I tend to get frustrated easily. I am also a bit of a perfectionist and I tend to spend too much time on small details.
